

Squash BC & Bonsor Vancouver Squash League Partnership

Squash BC continues to support the facilitation and coordination of VSL programming with the City of Burnaby, as we head into the upcoming 2024/25 VSL season.

Following recommendations and feedback from the VSL Bonsor community, Squash BC will be moving to a full team payment method. This allows teams to better manage fee structure for each player, whether full or part-time.

Squash BC Pricing for 2024-25 VSL Season

The team fee for the upcoming season will be \$1,500 per a team which covers the VSL League Fee, court fees, administration costs and mandatory facility league insurance from the City of Burnaby. The league fees will be split into two installments for the 2024/25 season, with the first payment being due September 25, and the second payment due January 8. A representative from each team will be responsible for collecting all team payments and paying the league fees to Squash BC.

Payment Installments

Squash BC is currently only offering full-year* pricing for both the fall and winter seasons.

	Payment Due October 1, 2024	Payment Due January 8, 2025
Team Fee \$1,500	\$1,000 + GST	\$500 + GST

**Should a new team form in January and wish to register for just the winter season, pricing and registration information will be distributed in December.*
