

2025/26 Vancouver Squash League Junior Application

All junior squash players aged 15 to 18 who wish to participate in the Vancouver Squash League (VSL) must complete this application. As an adult-sanctioned league, participation in the VSL is a privilege for junior athletes. The league is committed to ensuring all participants adhere to the outlined VSL Rules for the upcoming season.

To support the development and safety of junior athletes, this application requires acknowledgment of league rules by both the athlete and their parent/guardian. Additionally, the athlete should consult with a certified Squash Canada coach to determine if participation aligns with their development under the Squash Canada Long-Term Athlete Development (LTAD) framework. Note this form must be submitted by the Thursday prior to a match being played.
