

Squash BC & Bonsor Vancouver Squash League Partnership

Squash BC continues to support the facilitation and coordination of VSL programming with the City of Burnaby, as we head into the upcoming 2025/26 VSL season.

Following recommendations and feedback from the VSL Bonsor community, Squash BC will maintain a full team payment method. This allows teams to better manage the fee structure for each player, whether full or part-time.

Squash BC Pricing for 2025-26 VSL Season

The team fee for the upcoming season will be \$1,550 + GST or \$1,650 + GST per team, which covers the VSL League Fee, court fees, administration costs and mandatory facility league insurance from the City of Burnaby. The league fees will be split into two installments for the 2025/26 season, with the first payment being due September 22, and the second payment due January 7. A representative from each team will be responsible for collecting all team payments and paying the league fees to Squash BC.

Payment Installments

Squash BC is currently offering Early Team Registration pricing and Late Team Registration pricing for Bonsor Team Registration.

	Registration Deadline	Team Fee	Payment Due September 22, 2025	Payment Due January 7, 2026
